

# Mawsley WI Meeting 8<sup>th</sup> January 2020

## “Cocktail Shaker Boys”

*Interested in coming along to our meetings? See our programme for more details!*

The gleeful anticipation is plain to see on these ladies faces who were being treated to some lovely cocktails at our January meeting.

It was a pleasure watching Andy & Steve prepare 4 of their cocktails and mocktails for us to taste. They also gave an entertaining and informative talk on the origin of cocktails as well as how to make them. Cheers!

*Cocktails, mocktails, large and small, don't hold back.... let's try them all!*
