Martin's sports events were well received during the TCAM events week and could be used on Fun day especially in Olympic year.

The MVA need to ask Gavin and Amanda if they would like to do it again next year. If they do we must offer them much more help - Jane and a steering group from the MVA. The MVA steering group would be Stephen, Gil and Tony. The MVA need to set guidelines. Please can members do a list of what they felt worked well and what didn't and send the list to Bob. Tony to chat to Amanda and get her views also.

Amanda and Gavin thanked for all their hard work.
