Proposed Cllr Cope Seconded Cllr Richards

16.07.6 Matters Arising from the Minutes

See end of Minutes.

16.07.7 Mawsley Interface to Kettering Borough Council

Report from Cllr Hakewill – .Cllr Hakewill was not in attendance.

Pub site - Auction on 27th July - Cllr White is to attend. No one has submitted an enquiry for change of use to date. The guide price is £140-160k. Cllr Cope had been investigating the legality of the sale of the pub site. Cllr Moreton is to investigate further and report back to Council.

Cycle way extension – Peter Chaplin confirmed he was looking at funding and will revert back to Cllr White shortly. Carol Stephenson (Community Services Fund) will be in contact with Cllr White too. We need £15000 plus the cost of raising the man hole.

Licence to Occupy- Carolyn Nixon had confirmed that Kettering Borough Council will cover the legal fees required. Clerk is to progress the matter.

KBC/NCC Interface – Cllr Sanders stated that communication was very poor, acknowledgement to emails should be within a set period of time.

16.07.8 **The Centre at Mawsley**

Centre Maintenance – Landlord Inspection and Electrical Report – C1 items referred to in the report are essential items which need to be rectified. These had been carried out immediately under our emergency fund. C2 items are potentially dangerous and urgent remedial action is required. It was agreed by all Councillors that this is to be carried out immediately. C3 is improvement recommended and Cllr Cope is to obtain a price. Underfloor heating is also to be fixed to the cost before the weather turns. This will come under the Centre Maintenance budget heading. Proposed Cllr Cope seconded Cllr White.

As regards the **Landlords Inspection**, Cllr Wilson has the information and this is therefore to be carried forward to the August meeting.

Centre Extension – A meeting was held, with poor attendance. Cllr Littler is to draft a questionnaire as regards this, to see what the village would like.

MVA/TCAM Joint meeting – A date to be fixed after the next meeting. Cllr Richards attended the last TCAM meeting and issues as regards lighting were discussed. This is to be added to the quarterly meeting. Process for requesting funds is to be detailed and sent to Cllr Littler, this is to include the forms for applying for funds either through the Community Fund or TCAM Fund. This is to be covered at the August meeting. Finally TCAM are also reviewing their IT systems, and would look to MPC through their Capex fund to assist with funding.

16.07.9 **Police Matters.**

1 incident had taken place in June wherein a garage on Loddington Way had been broken in to.

16.07.10 **Village Issues**

Cllr Sanders update – Please see the attached report on the website. Cllr Barnwell corrected this in that there was no agreement yet in place.

Bus Shelters – An update was provided from Cllr Sanders and Cope. Cllr Littler confirmed that the Parish Council had not endorsed their plan, but had agreed to proceed with the plan. Cllr Sanders and Cope are to continue with this project and report back.

Grass Cutting – Concern was raised by Cllr Richards as regards the regularity of grass cutting. Kettering Borough Council then came out last week and cut the grass but caused damage to the trees. It was agreed that Cllr Richards will contact Dawn Hughes at the Borough Council, to note our concern.

It was proposed to extend the meeting, by Cllr Richards and **seconded** by Cllr White.

Village Signs – The location of the village signs was agreed for both entrances. The Clerk is to contact Kiers as regards the licence. Cllr Barnwell is to provide his written permission, in a letter which the Clerk will draft.

Outdoor Gym – Villagers appear to be in favour of this. Kettering Borough Council will insure and have suggested we apply for a £2500.00 grant. Cllr Richards has applied and is awaiting an answer. Cllr Richards will speak to those in the vicinity to ensure they have no objection.

Neighbourhood Plan update – Cllr White is to collate the information at the end of August.

Access to the Three Cranes at Cransley – The pub is under new management and is having a refurbishment. There was no other access available other than the current footpath.

Overhanging hedges on Hawthorn Avenue – Cllr Richards is to report this to Chris Leeson at Taylor Wimpey.

Allotments – Cllr Barnwell and his foreman had identified two possible sites for the new allotments. There may be issues as regards spray drifting across to the allotments. Possible locations are either opposite the pond by the field or where the old children's play area was. Access would need to be changed to allow vehicular access, and there would need to be some form of water supply. Cllr Barnwell would need time to arrange this, as permission for change of use would be required as agricultural land cannot just be changed in

to an allotment. It was agreed that Cllr Richards would be the liaison with Cllr Barnwell as regards the allocation of land.
